CREATING LIFELONG LEARNERS

Pawaris Kaewdee

has successfully completed the online, specialization cohort

Empathize User with User Research & Define User Need

Congratulations! You have successfully completed the "Empathize User with User Research & Define User Need" course. Throughout this immersive learning experience, you have gained fundamental skills contributing in the field of UX/UI design.

Upon completing this course, you are well-equipped to design and launch comprehensive workflows using best practices in user research. Your newfound expertise will enable you to contribute to the creation of exceptional user experiences and make a lasting impact in the world of digital design.
